

### PV Crystalox Solar K.K. - new offices.

On 17<sup>th</sup> March Crystalox Japan K.K. (CJJK) changed the company name to PV Crystalox Solar K.K. At the same time they moved offices to the prestigious Atago Green Hills MORI Tower. The new address is:

PV Crystalox Solar K.K.  
21FL. Atago Green Hills MORI Tower  
2-5-1 Atago, Minato-ku  
Tokyo 105-6221  
Japan

Tel: + 81 3 5776 0370  
Fax: + 81 3 5776 0371

The beautiful Atago Green Hills MORI Tower skyscraper stands tall in the green surroundings of the Atagoyama area of Minato-ku in Tokyo providing a commanding view over Tokyo city. The area is famous historically and culturally for its important temples and shrines, including the renowned Seishoji Temple.

*Atago Green Hills MORI Tower*

*Atagoyama area, Minato-ku, Tokyo*

In the tradition of modern Japanese architecture, the Atago Green Hills MORI Tower building is designed to appear as if the exterior skin is partially peeled away, revealing the building's inner core; much like a lotus flower as it starts to spread its petals in the spring. In this case, the petals are 42-stories of blue-green reflective glass and white spandrels arranged in a brilliant grid.
