19 April 2018

Dear Shareholder,

I am pleased to be writing to you with details of the 2018 Annual General Meeting of PV Crystalox Solar PLC (the "Meeting" or "AGM"), which we are holding at the offices of Norton Rose Fulbright LLP, 3 More London Riverside, London SE1 2AQ on 17 May 2018 at 2.00pm.

The formal Notice of Meeting is set out on pages 4 to 6 of this document.

### Ordinary business

#### Annual Report and Accounts (resolution 1)

The directors of the Company (the "Directors" or the "Board") will present to the Company's shareholders (the "Shareholders") the Annual Report and Accounts for the year ended 31 December 2017, together with the Directors' and Auditors' Reports on the Annual Report and Accounts, at the Meeting. A copy of the Annual Report and Accounts is enclosed with this document.

#### Approval of the Directors' Remuneration Report (resolution 2)

New regulations relating to the content and approval of Directors' remuneration reports came into force on 1 October 2013 for financial years ending on or after 30 September 2013 which require the Company to offer Shareholders:

- (a) a binding vote on the Company's forward-looking Directors' remuneration policy at least once every three years; and
- (b) a separate annual advisory vote on the implementation of the Company's remuneration policy in terms of the payments and share awards made to Directors during 2017.

Shareholders approved the Directors' remuneration policy (the "Policy") at the 2017 Annual General Meeting and it will remain valid for up to three years, from 18 May 2017, without requiring further Shareholder approval. A table summarising the Policy is included on pages 18 to 20 of the Annual Report and Accounts. The full Policy is set out on the Company's website at [www.pvcrystalox.com](http://www.pvcrystalox.com). All payments to a current or prospective Director or a payment for loss of office to a current or former Director will need to be made in accordance with the Policy or be approved by a separate Shareholder vote.

Resolution 2 seeks Shareholder approval of the Directors' Remuneration Report (other than the part containing the Policy) for the year ended 31 December 2017. The Directors' Remuneration Report is set out in full on pages 17 to 24 of the Annual Report and Accounts. This provides details of the remuneration arrangements and payments made to the Directors during the year. This vote is advisory and will not affect the actual remuneration paid to any Director.

#### Directors (resolutions 3 to 5)

The Company's Articles of Association require all Directors to seek re-election by Shareholders at least once every three years. In addition, any Director appointed by the Board must stand for re-election at the first AGM following his or her appointment. Any non-executive Directors who have served for more than nine years are subject to annual re-election.

The Board believes that the annual re-election of Directors is in the best interests of the Company. As a result all current Directors have stood for annual re-election since the 2011 AGM. Accordingly, at the AGM all Directors will retire and, being eligible, Iain Dorrity, Michael Parker and John Sleeman will offer themselves for re-election. Each Director's biography is set out in the Annual Report and Accounts on page 15.

The Board has determined that, in its judgement, John Sleeman and Michael Parker, who are being proposed for re-election as non-executive Chairman and non-executive Director respectively, meet the independence criteria prescribed in the QCA Corporate Governance Code, as each of them is independent in character and judgement and there are no relationships or circumstances which are likely to affect, or could appear to affect, their judgement.

During January 2018 the Board completed a formal evaluation of its performance and that of its Committees and individual Directors. Following that evaluation, the Chairman is satisfied that the performance of each Director proposed for re-election continues to be effective and that each Director demonstrates commitment to the role. More information about these matters can be found in the Corporate Governance Statement on pages 13 and 14 of the Annual Report and Accounts.

#### Auditors (resolutions 6 and 7)

The Company is required at each general meeting at which accounts are presented to appoint auditors to hold office until the next such meeting. PricewaterhouseCoopers LLP have indicated their willingness to continue in office. Accordingly, resolution 6 proposes the re-appointment of PricewaterhouseCoopers LLP as auditors to the Company and resolution 7 authorises the Directors to fix their remuneration.

### Special business

#### Authority of Directors to allot shares (resolution 8)

The authority given to the Directors to allot further shares in the capital of the Company requires the prior authorisation of the Shareholders under Section 551 of the Companies Act 2006. Upon the passing of resolution 8, the Directors will have authority (pursuant to paragraph (a) of the resolution) to allot shares with a nominal value up to a maximum of £2,778,169, which is approximately 33% of the current issued ordinary share capital (calculated exclusive of any shares being held by the Company in treasury) on 18 April 2018, being the last business day prior to the publication of the Notice of Meeting. If given, this authority will expire immediately following the Annual General Meeting in 2019 or on 30 June 2019, if earlier.

In addition, in accordance with the guidance from the Investment Association on the expectations of institutional investors in relation to the authority of Directors to allot shares, upon the passing of resolution 8, the Directors will have authority (pursuant to paragraph (b) of the resolution) to allot ordinary shares in connection with a rights issue in favour of ordinary Shareholders up to an aggregate nominal amount of £5,556,338, as reduced by the nominal amount of any shares issued under paragraph (a) of resolution 8. This amount (before any reduction) represents approximately 66% of the current issued ordinary share capital (calculated exclusive of any shares being held by the Company in treasury) as at 18 April 2018, being the last business day before the publication of this Notice of Meeting. If given, this authority will also expire immediately following the Annual General Meeting in 2019 or on 30 June 2019, if earlier.

As a result, if resolution 8 is passed, the Directors could allot shares representing up to two-thirds of the current issued share capital pursuant to a rights issue.

The Directors will continue to seek to renew these authorities at each Annual General Meeting, in accordance with current best practice. The Directors have no present intention of allotting any ordinary shares.

#### Disapplication of pre-emption rights (resolution 9)

If the Directors wish to exercise the authority under resolution 8 to offer shares (or sell any shares which the Company may purchase and elect to hold as treasury shares) for cash, the Companies Act 2006 requires that, unless Shareholders have given specific authority for the waiver of the statutory pre-emption rights, the new shares be offered first to existing Shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash or to sell treasury shares for cash without first offering them to existing Shareholders in proportion to their holdings.

Resolution 9 would authorise the Directors to do this by allowing the Directors to allot shares for cash or to sell treasury shares for cash:

- (i) by way of a rights issue (subject to certain exclusions) or by way of an open offer or other offer of securities (not being a rights issue) in favour of the existing Shareholders in proportion to their shareholdings (subject to certain exclusions); or
- (ii) otherwise up to an aggregate nominal value of £416,725 which is equivalent to approximately 5% of the issued share capital of the Company on 18 April 2018, being the last business day prior to the publication of the Notice of Meeting. The resolution also applies to the sale and re-issue of ordinary shares held as treasury shares by the Company. If given, the authority will expire following the conclusion of the Annual General Meeting in 2019 or on 30 June 2019, if earlier. It is intended to renew such power at successive Annual General Meetings in accordance with best practice.

The Directors have no present intention of exercising this authority (but they consider its grant to be appropriate in order to preserve maximum flexibility for the future). In accordance with the Pre-Emption Group's Statement of Principles, as updated in March 2015, the Directors do not intend to allot shares for cash on a non-pre-emptive basis pursuant to the authority in resolution 9 in excess of an amount equal to 7.5% of the total issued ordinary share capital (excluding treasury shares) of the Company, other than in connection with an acquisition or specified capital investment in line with the Statement of Principles, in any rolling three-year period without prior consultation with Shareholders.

As at 18 April 2018, being the last business day prior to the publication of this Notice of Meeting, the Company held no ordinary shares in treasury.

#### **Disapplication of pre-emption rights for an acquisition or specified capital investment (resolution 10)**

The Directors are seeking further authority under resolution 10 to offer shares (or sell treasury shares) for cash otherwise than to existing shareholders pro rata to their holdings up to an aggregate nominal value of £416,725 which is equivalent to approximately 5% of the issued ordinary share capital of the Company (excluding treasury shares) on 18 April 2018, being the last business day prior to the publication of the Notice of Meeting. This is in addition to the 5% referred to in resolution 9. If given, the authority will expire immediately following the Annual General Meeting in 2019 or on 30 June 2019, if earlier.

This extra authority is being sought in accordance with the Pre-Emption Group's 2015 Statement of Principles. The Statement of Principles permits disapplication authorities of up to 10% of issued ordinary share capital in total to be sought provided the extra 5% is used only in connection with the financing (or refinancing) of an acquisition or specified capital investment (as defined in the Statement of Principles). The Directors confirm that they intend to use the authority sought in resolution 10 only in connection with such an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

#### **Authority for the Company to purchase its own shares (resolution 11)**

The resolution is to authorise the Company to buy back up to 16,027,897 ordinary shares. The authority would expire at the conclusion of the Annual General Meeting in 2019 or on 16 November 2019, if earlier. The Directors intend to seek renewal of this authority at subsequent Annual General Meetings in accordance with current best practice. The resolution specifies the maximum number of ordinary shares which may be purchased (representing 10% of the Company's issued ordinary share capital as at 18 April 2018) and the maximum and minimum prices at which they may be bought, exclusive of expenses, reflecting the requirements of the Companies Act 2006 and the Listing Rules. The Board has no present intention of exercising this authority and the granting of this authority should not be taken to imply that any ordinary shares will be purchased. No purchase of ordinary shares will be made unless it is expected that the effect will be to increase earnings per share and the Board considers it to be in the best interests of all Shareholders. Under the Companies Act 2006, the Company is allowed to hold its own shares in treasury following a buy back, instead of having to cancel them. This gives the Company the ability to re-issue treasury shares quickly and cost effectively (including pursuant to resolutions 9 and 10 above) and provides the Company with additional flexibility in the management of its capital base. Such shares may be resold for cash but all rights attaching to them, including voting rights and any right to receive dividends, are suspended whilst they are held in treasury. If the Board exercises the authority conferred by this resolution 11, the Company will have the option of either holding in treasury or of cancelling any of its own shares purchased pursuant to this authority and will decide at the time of purchase which option to pursue.

The total number of options to subscribe for shares outstanding at 18 April 2018, being the last business date prior to the publication of this Notice of Meeting, was 1,200,000. This represents 0.75% of the issued capital at that date. If the Company were to buy back the maximum number of ordinary shares permitted pursuant to this resolution, then the total number of options to subscribe for ordinary shares outstanding at 18 April 2018 would represent 0.83% of the reduced share capital.

#### **Notice of general meeting (resolution 12)**

Resolution 12 is a resolution to allow the Company to hold general meetings (other than Annual General Meetings) on 14 clear days' notice. Before the coming into force of the Shareholders' Rights Regulations on 3 August 2009, the Company was able to call general meetings other than an Annual General Meeting on 14 clear days' notice without obtaining Shareholder approval. Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increased the notice period required for general meetings of the Company to 21 days unless Shareholders approve a shorter notice period, which cannot, however, be less than 14 clear days. Annual General Meetings will continue to be held on at least 21 clear days' notice.

In order to preserve the Company's ability to call general meetings (other than an Annual General Meeting) on 14 clear days' notice, resolution 12 seeks such approval. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole. If granted, the approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Note that changes to the Companies Act 2006 mean that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all Shareholders for that meeting.

#### **Action to be taken**

You will find enclosed a form of proxy for use at the Meeting. Please complete, sign and return the enclosed form as soon as possible in accordance with the instructions printed thereon, whether or not you intend to be present at the Meeting. Forms of proxy should be returned so as to be received by the Company's registrars, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, United Kingdom, as soon as possible and in any event no later than 48 hours before the time appointed for holding the Annual General Meeting, that is to say, no later than 2.00pm on 15 May 2018.

#### **Recommendation**

Your Directors consider that all the resolutions to be put to the Meeting are in the best interests of the Company and its Shareholders as a whole and unanimously recommend Shareholders to vote in favour of all the resolutions, as they intend to do in respect of their own beneficial holdings.

Yours sincerely

**John Sleeman**  
Chairman

- (a) the maximum aggregate number of Ordinary Shares hereby authorised to be purchased is 16,027,897;
  - (b) the minimum price which may be paid for an Ordinary Share is its nominal value, exclusive of all expenses;
  - (c) the maximum price (exclusive of expenses) which may be paid for an Ordinary Share is not more than the higher of an amount equal to 105% of the average of the middle market quotations for an Ordinary Share (as derived from the Daily Official List of the London Stock Exchange) for the five business days immediately preceding the date on which the Ordinary Shares are contracted to be purchased and that stipulated by the Regulatory Technical Standards adopted by the European Commission pursuant to Article 5(6) of the Market Abuse Regulation;
  - (d) the authority hereby conferred shall expire immediately following the Annual General Meeting in 2019 or on 16 November 2019, whichever is the earlier, unless previously revoked, varied or renewed by the Company in general meeting; and

#### Notes to the Notice of Annual General Meeting

1. A member is entitled to appoint one or more proxies to exercise all or any of the member's rights to attend, speak and vote at the Meeting. A proxy need not be a member of the Company but must attend the Meeting for a member's vote to be counted. If a member appoints more than one proxy to attend the Meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by the member. If a member wishes to appoint more than one proxy and so requires additional proxy forms, the member should contact Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, United Kingdom.
2. A form of proxy is provided with this Notice for members. Completion and return of the form of proxy will not prevent a member from attending the Meeting and voting in person. To be valid, the form of proxy and any power of attorney or other authority under which it is signed (or a notarially certified copy of such authority) must be received by post or (during normal business hours only) by hand at the Company's registrars, Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA, United Kingdom, not less than 48 hours before the time of the holding of the Meeting or any adjournment thereof. Completion and return of the form of proxy will not preclude members from attending and voting at the Meeting should they wish to do so. Amended instructions must also be received by the Company's registrars by the deadline for receipt of terms of proxy.
3. Any person receiving a copy of this Notice as a person nominated by a member to enjoy information rights under Section 146 of the CA 2006 (a "Nominated Person") should note that the provisions in notes 1 and 2 above concerning the appointment of a proxy or proxies to attend the Meeting in place of a member do not apply to a Nominated Person as only members have the right to appoint a proxy.  
  
However, a Nominated Person may have a right under an agreement between the Nominated Person and the member by whom he or she was nominated to be appointed, or to have someone else appointed, as a proxy for the Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member as to the exercise of voting rights at the Meeting. Nominated Persons should also remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or, perhaps the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Nominated Person's personal details and interest in the Company (including any administrative matter). The only exception to this is where the Company expressly requests a response from a Nominated Person.
4. Pursuant to Regulation 41(1) of the Uncertificated Securities Regulations 2001 (as amended) and for the purposes of Section 360B of the CA 2006, the Company has specified that only those members registered on the register of members of the Company at 6.00pm (the "Specified Time") on 15 May 2018 (or, if the Meeting is adjourned to a time more than 48 hours after the Specified Time, by 6.00pm on the day two days prior to the adjourned Meeting) shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time. If the Meeting is adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purposes of determining the number of votes they may cast) at the adjourned Meeting. Changes to the register of members after the relevant time shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
6. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available at [www.euroclear.com](http://www.euroclear.com)). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in note 2 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

### Notes to the Notice of Annual General Meeting continued

7. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings ([www.euroclear.com/CREST](http://www.euroclear.com/CREST)).
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).
9. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
10. Shareholders should note that it is possible that, pursuant to requests made by Shareholders of the Company under Section 527 of the CA 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditors' Report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with auditors of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the CA 2006. The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the CA 2006. Where the Company is required to place a statement on a website under Section 527 of the CA 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. ## Notes to the form of proxy

For use by the members of PV Crystalox Solar PLC at the Annual General Meeting to be held at 2.00pm on 17 May 2018

### Notes

1. As a member of the Company you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the Meeting on your behalf. You should appoint a proxy using the procedure set out in these notes. To be valid, completed forms must be received by post or (during normal business hours only) by hand at the Company's registrars, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, by 2.00pm on 15 May 2018. The form must be signed. If someone else signed the form on your behalf, you or that person must send the power of attorney or other written authority under which it is signed with this form of proxy.
2. The form must be executed by the member or by his/her attorney or if the member is a corporation either under its common seal or under the hand of an officer or attorney duly authorised in writing, stating their capacity (e.g. director, secretary).
3. This form enables you to instruct your proxy how to vote in the event of a poll on the resolutions to be proposed at the Meeting. If you want your proxy to vote in a certain way on the resolutions specified please place an "X" in the relevant boxes. If you fail to select any of the given options your proxy can vote as he or she chooses or can decide not to vote at all.
4. The appointment of the Chairman as a proxy has been included for convenience. If you wish to appoint any other person (or persons) as proxy (or proxies) delete the words "the Chairman of the Meeting" and add the name and address of the proxy (or proxies) appointed. A proxy need not be a member of the Company but must attend the Meeting to represent you. If you do not delete such words and you appoint a proxy (or proxies), the Chairman shall not be entitled to vote as a proxy.
5. Any alteration must be initialled by the signatory.
6. If you appoint more than one person to act as proxy, you should photocopy the form of proxy. All forms must be signed and should be returned together in the same envelope. If the proxy is being appointed in relation to less than your full voting entitlement, please enter next to the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy. If left blank your proxy will be deemed to be authorised in respect of your full voting entitlement (or if this proxy form has been issued in respect of a designated account for a shareholder, the full voting entitlement for that designated account). You may not appoint more than one proxy to exercise rights attaching to any one share. The total number of shares in respect of which you appoint proxies must not exceed the total number of shares held by you and any discrepancy may lead to one or all of your proxies being invalid.
7. In the case of joint holders, the signature of any one holder will be sufficient but the names of all joint holders should be stated and the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority will be determined by the order in which the names stand in the register of members in respect of the shares.
8. If you wish your proxy to cast all of your votes for or against a resolution you should insert an "X" in the appropriate box. If you wish your proxy to cast only certain votes for and certain votes against, insert the relevant number of shares in the appropriate box. The vote withheld option is provided to enable you to abstain on any particular resolution. It should be noted that a vote withheld is not a vote in law and will not be counted as a vote "For" or "Against".
9. The completion and return of the form of proxy will not prevent you from attending the Meeting and voting in person.
10. CREST members wishing to appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system must ensure that, in order for such CREST Proxy Instruction to be effective, it is received by the issuer's agent (ID RA19) no later than 48 hours before the time appointed for holding the Meeting or any adjournment thereof, together with any power of attorney or other authority under which it is sent. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. For further information relating to the CREST proxy system, please refer to the CREST Manual (available at [www.euroclear.com/CREST](http://www.euroclear.com/CREST)) and the Notes to the Notice of Annual General Meeting.
11. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended) and Section 360B of the CA 2006, entitlement to attend and vote at the Meeting and the number of votes which may be cast thereat will be determined by reference to the register of members of the Company as at 6.30pm on the day which is two days prior to the Meeting or adjourned Meeting. Changes to entries on the register of members after that time shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
